

SIMPLY INCREASE YOUR PROFITS

TEST OUR
NEW NOZZLE
2033-421

This nozzle will provide you performance, which you did not even think about until now. You can use it with all our paint guns (except Airless guns). You will get the best of it with our model 90 paint gun.

Paint flow of about 40 I/min for 1 paint gun.

Draw a 15 cm line with a speed of about 25 km/h with 1 paint gun.

Your work schedule will be reduced by nearly 30%!

Available now.
